

Operating Guidelines Committee

August 12, 2004

Task

Regarding the rejection of the hydrological modeling effort after years of technical review, the SEG tasked the Operating Guidelines Committee to look at/determine how the situation occurred, how to prevent it from reoccurring and how to facilitate/increase the flow of information between the SEG and federal agencies/Corps.

Agenda

Where are we?

1. What is the current relationship between...
 - * SEG and GPA
 - * GPA and Corps (MOU)
 - * Corps and Federal Agencies
 - * SEG and Federal Agencies
2. What are the lines of communication/main players between...
 - * SEG and GPA
 - * GPA and Corps
 - * Corps and Federal Agencies
 - * SEG and Federal Agencies

How did we get here?

How do we avoid the same situation reoccurring?

1. How to improve communication between...
 - * SEG and GPA
 - * SEG and Corps
 - * SEG and Federal Agencies
2. Other suggestions

Documents of Relevance for Meeting

Memorandum for Record – May 26, 2004
MOU between US Dept of Army & GPA
Congressional Record – April 22, 1999
EFDC & WASP Model Development Considerations

(all documents posted on SEG website)
