

Summary
Interim SEG Meeting
February 6, 2007

Attendees: Bill Bailey, Teri Beard, Larry Keegan, Hope Moorer, Tom Wright, Will Berson, Judy Jennings, Lucille Collins Rahn, Gail Bowers and Morgan Rees (via telephone)

Teri Beard resigned as chairperson of the Operating Guidelines Committee. The SEG members in attendance thanked Teri for her years of service and invaluable contributions to the work of the SEG. The attendees then decided to include Teri's resignation and the appointment of a new Operating Guidelines Committee chair on the agenda for the next SEG meeting.

Recommendations to Facilitator for the next SEG meeting agenda:

Scientific Briefings:

- Savannah River DO TMDL – How does this impact the SHEP? This is contingent on the availability of presenters from GA EPD or EPA
- Modeling update – Bill Bailey, US Army Corps of Engineers
- Final Aquifer Report update – Card Smith, US Army Corps of Engineers
- Dredge Material Management Plan summary – US Army Corps of Engineers – the specific presenter has not been identified
- CSS Georgia Archival Report and Site Survey – Judy Wood, US Army Corps of Engineers

Old Business:

- Update on economic analyses by US Army Corps of Engineers, either by Mobile District representative or via written report from Mobile District – the specific presenter has not been identified
- Ballast Water – Recent Federal Activity discussion – Hope Moorer, Georgia Ports Authority
- Oxygen Injection System Demonstration Project – Hope Moorer, Georgia Ports Authority
- Schedule milestones update – Hope Moorer, Georgia Ports Authority

New Business:

- Resignation of Operating Guidelines Committee Chair

Next SEG meeting recommendation: Tuesday, March 6, 2007
