

Interim SEG AKA Operating Guidelines Committee
Meeting Summary
April 5, 2005

Attendees: Bill Bailey, Teri Beard, Will Berson, Alan Garrett, Judy Jennings, Larry Keegan, Hope Moorer, Morgan Rees (via phone), Chris Schuberth, Tom Wright

Recommendations to Facilitator for the next SEG meeting:

- Next meeting date for “full” SEG membership: Tuesday, May 3rd

Recommendations for the next Interim SEG meeting agenda:

- Update SEG members on the hydrodynamic model
- Presentation by USACE on updated project schedule including an overview of the schedule, handout of milestones and discussion of project flowchart
- Update on formulation of project alternatives by USACE
- Brief discussion by USACE of the Mobile USACE office’s new role in the project
- Mention discussion at interim SEG meeting of importance of USGS monitoring and lack of funding. SEG members might want to contact Congressman Jack Kingston’s office and express their support for funding to continue monitoring of the Savannah River.
